Warmest Greetings Praying Friends,

We pray that you are well and drawing close to the Lord these days! We'd appreciate your prayers as our local church here in Orlando will be having a Missions Conference that we will be participating in. It's exciting to be part of what God is doing in these strategic days of His harvest!

Thanks for your prayers for us as we survived another hurricane! The last hurricane "Milton" was a few weeks ago now and God was very gracious as some many people were praying for the state of Florida! It went from a Cat 5 twice and because of prayer it was only a Cat 2 by landfall and had far less effects than the previous hurricane. God is so good!

We are very encouraged by what God is continuing to do on college campuses in the past year. Revival is continuing to happen on various college campuses! A friend of ours posted some statistics recently on Facebook. In the past year more than 15 campuses have been impacted by these Revival gatherings that have impact over 100,000 students! God is working deeply in this generation. Please keep praying for God to continue to touch this generation and the entire church!

On October 12th there was a call for Esthers across our nation and the world to gather for a Million Women to pray for Revival and Awakening in America. About 300,000 gathered on the Mall in Washington, DC to repent for America, to pray for our nation and ask God to pour out His Spirit and mercy on our land! Estimates were that about 10 million gathered online across the world to cry out for America and the nations. May the Lord hear and answer their prayers!

God is meeting our support needs! We do appreciate your continued prayer for our support short fall. The Lord has raised up several Ministry Partners to help us at this time. So, God is graciously meeting our needs. Please keep us in your prayers as we head into the end of this year, that God will meet our needs according to His riches in glory.

In recent communication we have mentioned that Cru has identified 12 Nations that represent 75% of the Least Reached People Groups in the world! Over the past few years The Jesus Film Project (a ministry of Cru) has been focused on creating prayer guides to pray for these Missional Gap Nations.

Blessings and may God richly bless you and your family.

Serving with Ethnos 360

As we said in our most recent email, we have been planning on a trip back to the States around the end of this year. Our reasons for this are that we will likely be transitioning to a stateside ministry for the next several years. We have seen that it would likely be very beneficial to our children to finish out their high school years in the States and have a little more stability as they transition into adulthood. We have not given a lot of details about what our new ministry role will entail, simply because so much is still up in the air.

We were temporarily serving at our missionary guesthouse in Dakar before our return stateside. While there, we were able to talk to our leadership team and others about our future and our current situation. After they considered several issues that we are working through on a family level, they went ahead and asked that we return to the States sooner, rather than later. We were in full agreement with this requirement.

We purchased tickets soon thereafter and were able to return to Texas two weeks ago. We have been able to get settled in here and are all doing well. We have already been able to make a lot of progress in some of the areas that have been affecting us.

As we said before, so much is still in the air for us now. We do not, currently, have a clear view of what our future holds, and are looking to God for direction. We ask for your continued prayer for our family as we navigate these uncertain times.

We hope to have a clearer idea of future ministry possibilities by the end of the year. Our plan is to inform you, our financial supporters, as soon as we have a plan and path forward. We are in communication both with our mission leadership, church leadership, and other trusted counsel in this whole matter. We know that God is faithful and will show us the right course.

If you have any additional questions, please feel free to email us, or reach out to us on our stateside number (325) 728-0408.

Thank you for your prayers, Cameron & Katy

Verse for the Week

For we do not wrestle against flesh and blood, but against the rulers, against the authorities, against the cosmic powers over this present darkness, against spiritual forces of evil in the heavenly places.
