

Missions Update
The Door - Dave & Gela Taylor
Reaching Local At-Risk Youth
Bellwood Teen Center, Bellwood, PA

We are serving a lot of kids! 30 kids were playing kickball and basketball this past week outside while a few more were inside using the craft room to create art. We fed them. We loved them. We cleaned up after them. We are getting new kids and bringing them into our family at The Door.

We are sharing a lot of food! We unintentionally created a traffic jam with over 500 people coming to get 3 truck loads of food shared in one day in Bellwood. The local police helped us by directing traffic. I am seeing moments of desperation in our elderly and fixed income families needing the food we share and being very thankful. Grandmothers tearfully thanking us for fresh fruits and vegetables they could not afford any longer. This week we will give out another 2 truck loads.

People are hurting economically and it's been getting worse.

We are doing a lot of activities! We are getting tickets for kids for free to go on field trips and we are generously loving them as they get to go on life enriching family experiences.

We are very behind financially. I don't know if it's the economy, or spiritual opposition or people just are unaware. We have struggled financially all year long. We need Prayer!

We are dedicated as a staff and we risk our security to follow our calling and love these kids in Jesus name. As of this week over 70 teens and 16 adults have come to Jesus this year through The Door. Many of you give all that you can already, but your prayers are our best hope to turn this around.
